UNDERSTANDING A DAY IN THE LIFE OF A FRENCH SETTLER

Life for a settler in Florida was very difficult and very different from our lives today. The Timucua Indians had been here for nearly 1000 years and knew how to survive in their environment. For the French it was a whole new world. How would life be different for you if you had been one of those colonists? List what you know about daily life for a settler and think of an equivalent task in your daily life. One example has been listed for you.
